Staying Ahead of the Challenges

The Accommodation Association of Australia is your national industry representative body, and best placed to manage all the challenges the industry faces. Immediate priorities include:

- Working with the ACCC to re-examine the level of competition in online travel agency franchises (OTAs)
- Tackling the serious and growing impact of non-compliant and illegal accommodation in Australia facilitated by online services such as Airbnb
- Correcting the imbalance of our industrial awards through the four-yearly review with the Fair Work Commission to fight for an impost of lower penalty rates, part-time employee restrictions and Public Holidays

Our membership represents the national industry – hotels, resorts, serviced apartments, motels, bed & breakfasts, guesthouses, holiday parks and timeshare properties in metropolitan, regional and rural Australia.
