Things you should know:

You do not have to be a Commonwealth Bank customer to take up this offer. All fees are subject to change on 30 days advance written notice and are inclusive of GST. **The Bank charges the actual wholesale interchange fee for every purchase transaction. The wholesale fee is set and monitored by the relevant scheme and is subject to change from time to time as the schemes see fit. When you process a refund transaction, the wholesale interchange fee set by the relevant scheme will be credited back to you. For a complete list of domestic interchange rates, visit [Mastercard®](#) and [Visa®](#) websites. Rates for international transactions vary depending on the country and transaction type and are too numerous to list in this schedule. The Bank charges the actual wholesale international fee and is displayed as a weighted average on your statement. The rates displayed are indicative only, based on industry averages. Your actual rates will be the scheme specified rates. Additional fees may apply for customisation requests. Fees depend on the nature of customisation and will be provided upon request. Full fees, charges, terms and conditions are available on application.
